2. Fees, mortgage loan and property price

- · Calculate the total expenses of the purchase, such as solicitors' fees, mortgage charges, insurance fees and stamp duties.
- Check with banks to find out if you will be able to obtain the needed mortgage loan, select the appropriate payment method and calculate the amount of the mortgage loan to ensure it is within your repayment ability.

- In respect of an uncompleted development, the vendor may alter the building plans (if any) whenever the vendor considers necessary. To know the latest information of an uncompleted development, keep paying attention to any revised sales brochures made available by the vendor.
- Read through the sales brochure and in particular, check the following information in the sales brochure -

In this connection, the vendor is allowed to make available more than one modified show flat of that residential property.
- If you visit the show flats, you should always look at the unmodified show flats for comparison with the modified show flats. That said, the Ordinance does not restrict the discretion of the vendor in arranging the sequence of the viewing of unmodified and modified show flats.
- Sales brochure of the development should have been made available to the public when the show flat is made available for viewing. You are advised to get a copy of the sales brochure and make reference to it when viewing the show flats.
